

DECATUR ADVENTIST JUNIOR ACADEMY

Certifies as a School of Excellence since 2009

ACKNOWLEDGEMENT AND PLEDGE

The Student Handbook provides students, parents, and staff with a clear, concise statement of the basic policies, procedures, and philosophy of the Decatur Adventist Junior Academy. Although the Handbook is not intended as a comprehensive statement on these subjects, it is written to answer the most frequently asked questions about the policies and procedure of the school. In the handbook no attempt has been made to explain the rationale for each policy or procedure, but it is important to realize that our policies and procedures are formulated as one way to implement our goals in Christian education and to provide for a safe, effective, efficient, and consistent approach to problems.

Commitment to these policies and procedures by students, parents, and staff enables the school to run on a smooth and effective basis. Consistent support of them will produce even more significant and lasting accomplishments for the students. We believe that Christian education involves encouraging and training students for responsible action. These policies and procedures are basic guidelines which should be viewed as one way we encourage and train students to recognize and assume responsibility for their actions. Therefore, the ultimate purpose of this book is to allow parents, students, and teachers to be “of open mind” in the great privilege of training children to honor God with their whole lives.

I hereby acknowledge that I have read the entire student handbook and have explained it to my child/children. I hereby pledge and acknowledge that I will abide by the rules and regulations set forth by Decatur Adventist Junior Academy. I further pledge, as a student/parent of the Decatur Adventist Junior Academy, to support the administration’s efforts to provide a positive, safe, and orderly environment by choosing to:

- Respect and protect the rights of all people.
- Practice Christian principles of honesty, integrity, and morality.
- Refuse to use or support the use of tobacco, alcohol or drugs.
- Seek to develop my physical, mental, and spiritual energies to serve and honor God.
- Endeavor to influence and assist other students to support these ideals.
